future generations.

Sometimes children are handed a burden that is far too heavy for them to carry—neglect, abandonment, abuse. With seemingly no one to save them and no identity, they have no purpose. Without intervention, they are desperately trying to forget all the things that have been done to them. But enter: Jesus. Real love is shown to them as people like us give them a safe home, a family, and help them know and love Jesus. Through the ministry of adoption, the Bible becomes real to them as a love letter to their soul. They realize their identity is found as a beloved child of the Most High. Think back to a moment when someone showed you love and grace that you didn't believe was possible. For some orphans, you were that love and grace. You were the one to show them they can be loved and feel safe, their lives are invaluable, and they can open their heart without fear. You were the one to demonstrate that God's love and grace is infinitely beyond what they could hope, think, or imagine. And someday, they're going to have a family of their own who will never know what it's like to be abandoned or alone. You never touch just one life by prayer, support, and adoption. You touch generations.

Dear Heavenly Father,

Thank You for the hearts of those who extend their love through adoption, providing fatherless children with safe homes and families. May we be burdened to journey alongside these children in support and prayer, and adoption if you call us to do so. May we continue to demonstrate the immeasurable depth of Your love and grace, knowing that our actions today will shape generations to come. Guide us, Lord, to be your hands and feet in a world that so desperately needs Your touch. We trust You to do what only You can do, and we praise you for the privilege of being a part of your restorative work in the lives of orphans. May we invest today in eternity. We are your vessels of mercy.

amen
